Proceeds enable the Foundation's mission to help fund judicial education and civic education initiatives to advance the independence of the judiciary and the rule of Law

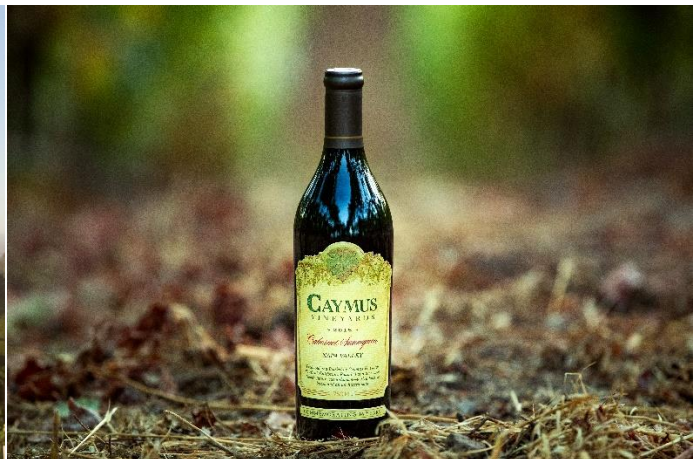

Suisun Creek Vineyards is located in the beautiful and iconographic hills of Napa and annually produces premium Cabernet Sauvignon grapes used in Caymus Vineyard's award-winning and world renowned Cabernet Sauvignons – Caymus Napa Valley and Caymus Special Selection.

This event, hosted at the estate house of proprietors Geoff and Christina Nelson, features wines from the Wagner family, food and expert explanations by Chuck Wagner.

In 1972 the legendary Chuck Wagner and his parents created Caymus Vineyards. As they made wines with character, complexity and consistency, they helped to establish the Napa region's singular style and reputation for producing world-class Cabernet Sauvignon. Chuck now works alongside two of his children, Charlie and Jenny Wagner. The three share common traits --a passion for hard work and trying out new ideas as they balance tradition with pushing the boundaries to make even better wines. Today the Wagners produce a wide range of wines including: Mer Soleil Chardonnays and Pinot Noir, Emmolo Merlot, Sauvignon Blanc and Sparkling Wine, Red Schooner Malbec, and Conundrum Red and White.

Come, be introduced to the Wagners' famous Napa Valley Cabernet Sauvignon and their diverse selection of wines.

Donation: \$125 per single and \$225.00/per couple (transportation included)
